Rhyming Words Class Game

Great for consolidating concept of
rhyming words,
listening skills and team work.

Includes 31 student cards
Plus teacher's starter card

- Each student receives a card.
- The teacher will start the game off with the starter card.
- Each student must listen carefully to see if the question asked applies to them. If it does, the student will read his/her card out loud and the game will continue around the room until the final card is reached.
